

HANCOCK

THE YANTIC DEPARTS
FOR A LONG ABSENCE

Naval Reserve Ship Left Yesterday Afternoon for Shipyards Where She Will Undergo Extensive Alterations and Repairs, Returning to Hancock Next Summer.

The United States ship Yantic, the training vessel of the Hancock and Escanaba divisions of the Michigan Naval Reserves, left yesterday afternoon, under orders to start for a dock yard for repairs and alterations. Up to the time of her departure there existed some uncertainty as to whether her destination would be Sturgeon Bay or Detroit, although the impression prevailed that the boat would go to Detroit. Orders were received Saturday ordering the ship to Sturgeon Bay and later another order gave Detroit as the point to which the Yantic was to be taken. Further instructions were wired for but no reply was received and the ship will proceed to Saint Ste Marie, where more explicit instructions will be awaited.

The ship cast loose from her dock at Ripley at half past 1 o'clock, and had some difficulty on turning in the strong wind that was blowing up the lake. When she got under way for the entry she was saluted by several whistles, to which she responded.

The Yantic was under the command of Captain H. S. Goodell, and with him were Lieutenants Stevenson, Mason and Washak of the second division of Escanaba, who arrived on the Northwestern train yesterday, with two seamen of the Escanaba division. Four of the Hancock reserves, comprising Irving Pearce, Willard Carroll, Eddie King and a young man named Simonson were also on board, besides Chief Boatswains Mate Nelson and the regular United States sailors who will remain with the ship all winter.

As the boat turned out into the lake, Jack, the big mastiff mascot, stood like a figurehead at the bowsprit and barked a farewell to his friends on shore. The United States flag was flying from the stern, and the ship presented a most attractive appearance as she passed down the lake. George Priest of this city, was engaged as steward for the trip and extra firemen and coal passers were employed.

The boat will go into dry dock and numerous alterations will be made. Those will include the re-construction of the charthouse and bridge, the replacing of the spar deck, and the removal of the main mast. This will leave only two masts, the foremast and the mainmast. The latter will be left as it is at present, though possibly shortened somewhat, while all the yard arms except one will be taken from the foremast. The one remaining will be for signaling purposes. The Yantic was at one time a full rigged ship, being square rigged on all three masts. When she comes back she will be more or less of a nondescript. She might perhaps be called a brigantine, and without the yards on the foremast would be more nearly schooner rigged than anything else in nautical classification.

CHARGES NOT SUSTAINED.

W. A. French of this city was recently acquitted on a charge of embezzlement at Ashland, and has returned to Hancock, where he will make his home. Mr. French was formerly employed as agent of the Schlitz Brewing company, for which firm he had previously acted in a similar capacity in Hancock and in Calumet. He was discharged from the company's employ at Ashland and after returning to Hancock was arrested on a charge of embezzlement. Mr. French's trial came off at Ashland on October 8, at which time he was acquitted, there being no evidence on which to support the charge of embezzlement. Mr. French's vindication is pleasing to his friends and also gratifying to himself as it places him again on his former good footing in the community.

"GIRL FROM U. S. A."

The "Girl From the U. S. A." a musical comedy-drama, will appear this evening at the Kerregide theater. Besides having a musical and dancing chorus and the usual accessories of musical comedy, there is an interesting and exciting plot and plenty of action. The scenes are laid in Paris, Constantinople and Peking, China, and the incidents have to do with the adventures of an American girl in effecting the release of a patriot who has been sold into slavery. American soldiers and marines figure in the production.

HIBERNIANS ORGANIZE
ATHLETIC ASSOCIATION

Meeting Held Yesterday at Which Officers Are Elected and at Which Captain and Manager of Indoor Baseball Team Are Chosen—Other Matters Pertaining to Organization of Teams.

The Ancient Order of Hibernians Athletic association of Hancock was organized at a meeting held yesterday at the A. O. H. club rooms in the Holman building, and officers were elected as follows:

President, John Keyes.

Vice President, John Carney.

Secretary and Treasurer, John Delaney.

The association started with a membership of fifty, and an active season is anticipated. The association will have direct supervision of all the athletic features of the members of the order, including the indoor baseball games, and the annual midsummer track and field meet. Several committees were appointed as follows:

Committee on Constitution and By-laws, Dan Crowley, Eneas McCauley and Will Madigan.

Committee on Finance, James McGlynn, Dan Holland and P. S. Sullivan.

House Committee, John Carney, Jno. Delaney and J. W. O'Neill.

The Hibernians' indoor baseball team also reorganized for the season by electing the following officers:

Pete Delaney, manager.

John Stuck, captain.

S. L. Brisson, secretary and treasurer.

Arrangements are practically completed for the big dance to be given under the auspices of the A. O. H. indoor baseball team in Germania hall Thursday evening next, Oct. 21.—A ten piece Quincy orchestra has been engaged, and a large attendance is anticipated. The proceeds will be applied towards the expenses of uniforms, equipment, etc., for the season.

The Foresters will organize this evening, with it is expected, nearly the same line-up and officials as last season, Dan Holland being manager and Dan Murphy captain. The Eagles will organize on Tuesday night, and the Naval Reserves probably after the drill this evening.

Besides the officers mentioned above the Hibernian indoor baseball team will have a mascot. Irwin O'Neill has been selected for the honor and he will also act as assistant secretary. He will be provided with a uniform and will be present at all games in which the team participates.

K. C. Team Officers.

The Knights of Columbus indoor baseball team met yesterday afternoon in the Germania hall and organized for the season by electing Frank Francis as manager, Fred Funky captain, and Emory Jacques, secretary and treasurer. Mr. Francis succeeds Jay Lantot, who was unable to give the time to the office of manager this year, and Fred Funky succeeds Billy Brand, who will not be a member of the K. C. team this year.

BOWLING TOURNAMENT OF
TWO-MEN TEAMS HERE

Arrangements are being made for a bowling tournament between teams composed of two men each, to be played in the near future at the Mitchell alleys in this city. The date for the tournament has not yet been fixed, but entries will be received next week for participation in the event.

A match has been arranged to take place Tuesday evening between the Reid Store team and Sullivan's All Stars at the Mitchell alleys, and another contest that has been arranged is one between the Mitchell Grocers, Eldred and Clyde, for twenty games, ten of which will be bowled next Thursday night.

BARBERS IN CONVENTION
REVISE THEIR CONSTITUTION

Charles Heide returned yesterday from Milwaukee, where he attended the international convention of the Journeymen Barbers' union. There were 623 delegates present from all parts of the United States and from Canada, it being one of the biggest conventions ever held by the organization. The convention was an interesting one and attended with more or less excitement, there being factional elements that resulted in several fights on some of the propositions presented. All the old officers were re-elected with the exception of the president.

A general revision of the constitution and by-laws was made, one feature being adopted that will result in members paying more in dues and receiving more in the way of benefits. A fee of two dollars will have to be paid by members on taking out a withdrawal card, while heretofore nothing has been charged, and a reinstatement fee of \$2 will have to be paid to the international body. To offset this increased amount that goes to the main organizations, the due of members of local unions will be increased five cents per month.

It was decided to put four deputy organizers in the field, three to serve in the United States and one in Canada. Heretofore these deputies have received payment according to services rendered while actively employed. Now the salary is made definite and in addition to acting as organizers the deputies will also act as auditors of the accounts of the different locals.

KIRCHEN'S GAS ENGINE.

Invention of Hancock Man Makes a Hit With the Dealers.

Otto Kirchen returned yesterday from a trip to Chicago, Detroit, Milwaukee and other places, taken for the purpose of introducing a new pat-

NATURE TELLS YOU

As Many a Calumet Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills.

People in this vicinity testify to this. Louis Wolfstey, 805 Franklin St., Hancock, Mich., says: "Doan's Kidney Pills have been used in my family at different times for several years with good results. I also know of other who have taken them and speak in the highest terms in their favor. My back was very weak and painful when I procured Doan's Kidney Pills but this remedy soon drove the trouble away."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

ent double gasoline engine, will develop twice the power of an ordinary engine of the same size, and is remarkable for the small space it occupies, requiring a floor space of about twelve by 14 engines. The engine was shown to manufacturers and users of gas engines in the various places visited, and made a most favorable impression, its merits appealing strongly to all who saw it, a number of firms making large use of gasoline engines for automobiles, boats, etc., having placed orders for the engines when he places them on the market. Mr. Kirchen contemplates establishing a factory, either in Hancock or at Chicago, for the manufacture of the engines, and also of the automobile sleighs of which he is the inventor, and has already placed an order for some machinery with a Chicago firm. The great amount of power developed in proportion to the size of his engine, will, it is believed, make it most desirable for equipping air ships and aeroplanes.

PAY DAY DRUNKS.

Half a dozen drunks were gathered in Saturday night and Sunday evening by the police, and were arraigned in the local courts this morning, where they were given sentences of fines and costs with jail alternatives. One human was arrested last night near the city hall where he was endeavoring apparently to drain the drinking fountain, and splashing water all over himself and the sidewalk. Another man, arrested by Officer Wright, and who said he had only arrived here last week from Ohio, said that he had lost a roll of thirty dollars, but didn't know where he had dropped it. The batch of pay day drunks is the largest that has been gathered in this city for several months past.

NEW CIGAR STORE OPENED.

The new cigar store of Bock & Co. in the Fisher block on Quincy street has opened for business. The place is the only store in the city devoted exclusively to the cigar and tobacco trade, and is attractively and comfortably fitted up with the latest and most modern fixtures. Manager Graeme has had the place remodeled and fitted up for the purpose, with a partition extending across the entire store at the rear, dividing it into two parts, the rear being used for the wholesale storehouse, Thomas Verran, formerly of the Hotel Scott, has taken a position as clerk at the new store.

BUYS HOLLAND PROPERTY.

A deal was closed by St. Patrick's church for the purchase of the Holland property on Franklin street, adjoining the church property. There are two lots in the newly acquired property, containing a house which will be torn down, and a new convent for the use of the sisters will be erected. At present the sisters are quartered in the school building.

HOUSE WARMING PARTY.

Manager Ben Gettelman of the Savoy, and his wife, gave a housewarming party last evening at their home in the Mason flats. The occasion was a most delightful one, with music, refreshments and singing. Justice C. O. Olivier gave several delightful solos, and others present favored with selections. Klinghammer's orchestra furnished the music for the evening.

DIED AT FREDA.

John Aho, aged 36, died yesterday at Freda, from pneumonia. He was a native of Finland and is survived by his wife and several children. The funeral will be held on Thursday afternoon from the Redridge Finnish church, Rev. Otto Stadius officiating. Interment will be at Redridge cemetery.

HANCOCK BREVITIES.

A son was born recently at the maternity hospital on Elm street to Mr. and Mrs. Henry Matson of Dollar Bay. Martin Gregg has resigned as director of the Isle Royale band, which he has conducted since its organization two years ago, and left today for Laurium, where he will become director of the Laurium band.

Werner Rahala has taken a position as messenger in the office of Justice C. O. Olivier.

The funeral of the late Edward Sullivan was held this morning from St. Patrick's church, and interment took place in the old Hancock Catholic cemetery.

Mr. and Mrs. P. H. Sullivan of Calumet visited with friends in Hancock yesterday.

TORCH LAKE NEWS

ELABORATE CEREMONIES
MARK CHURCH DEDICATION

St. Cecilia's Church of Hubbell is crowded at special services—Addition gives the edifice a much larger seating capacity—Catholic societies join exercises.

With hands playing, banners flying to the breezes and hundreds of men in line representing the several lodges of the Torch Lake towns and of Calumet, the re-dedication of the Catholic church of Hubbell yesterday was a service that will live long in the minds of all those who were present. In Hubbell, the organizations that turned out were the Catholic Order of Foresters and the Ancient Order of Hibernians, headed by the Hubbell band. From Lake Linden came the Laurium band with the St. Joseph's society and the St. Jean Baptiste societies, also the Knights of Columbus of Calumet. The procession at Hubbell was a very lengthy one reaching from the end of the street car tracks to the church.

Bishop Eis Present.

Rev. Bishop Eis of Marquette conducted the services and among others present were Mon. Langner of Neenah, vicar general of the diocese, Rev. Fr. O. Joisten of Norway and almost all the priests of the copper country. The service in the church was held at 10:30 in the morning. The sermon was delivered by Rev. Fr. Herkulane, pastor of the Sacred Heart church of Calumet who laid stress on friendship, saying that in many instances our friends will accompany us to the doors of the church, and return without entering. Others will enter the church, then come out and go elsewhere. "But the friend that will stay with us, not alone in the church, but through death and all through eternity, is the only one on whom we can rely and depend, Jesus Christ." His sermon was in English.

Other Masses Held.

There were four services held in the church Sunday morning, as follows: 6 o'clock, 7 o'clock, 8 o'clock and also at 10:30, the latter being the dedication. At the 8 o'clock mass there were 100 children confirmed and this service was celebrated by the Rt. Rev. Bishop Eis of the diocese of Marquette.

Addition to the Church.

As the population of the Hubbell parish is steadily increasing, it was found that the church was too small to accommodate the members of the congregation. Rev. Fr. Henry Zimmerman, pastor of the church, realizing this fact devised a plan whereby the edifice could be enlarged. The addition will give the church an additional seating capacity of fifty pews which will accommodate a great many people.

NEW HUBBELL PASTOR.

Rev. Stanley Povey, son of Rev. and Mrs. Jesse Povey of Lake Linden, will be the new pastor of the Hubbell church. Since it was reported that Rev. Stanley Povey would be here for next Sabbath, it has been learned that this would be impossible and he will not likely be here until the last Sunday of this month, or the first Sabbath of November.

Rev. Povey has been engaged in the work in New York City but is coming here to visit with his parents and this visit will probably last six months, and during which time he will fill the Congregational pulpit in the Hubbell church.

CHARLES M. FICKERT OPPOSING
HENRY FOR DIST. ATTY.

San Francisco, Oct. 15.—The fight for district attorney is attracting much attention on account of the prominence of the two candidates. William H. Langdon is the present incumbent, and it was through his appointment of Francis J. Heney as assistant district attorney that so much work was brought to the grafters. Heney is now out to succeed Langdon. He was nominated by the democrats at the recent primary election.

The republicans chose Charles M. Fickert and the fight is a strenuous one.

Fickert is a well known attorney and served at one time as assistant United States district attorney for the northern district of California.

present at the sessions of the grand lodge of Odd Fellows of this state which will be held there this week. The members of Ivy Rebekah degrees staff, accompanied by their captain, Thos. F. Burgen also departed this morning for the same place. They

Use Dr. Taylor's Antiseptic Skin Soap.

CHALLENGE

We challenge anyone to produce a case of Eczema or other Skin Disease that Dr. Taylor's Eczema Remedy will not cure.

TORTURED BY ULCERS!

August 25, 1906

Gentlemen:—For two years I suffered with Eczema on hands, feet and legs, and could not get a pair of shoes on, as my feet and legs were completely covered with ulcers. Last April I concluded to go to the hospital, and on my way fortunately met a friend who was cured by your remedy, and he urged me to go and see you, which I did. I bought one set of your remedy, which gave me instant relief, and after using five sets was completely cured. I state these facts trusting they may come under the notice of some one similarly afflicted, as from experience I know that there is no other remedy to cure this dreadful disease. J. Carl, 2621 Earp street, Philadelphia. Sold by Eagle Drug Store, Calumet; Laurium Pharmacy, Laurium. Send for free illustrated booklet.

will do the floor work at the Soo Wednesday afternoon about 4 o'clock. John Burgen and Ollie Kirchen departed at the same time as delegates from their respective lodges.

TORCH LAKE BREVITIES.

Mr. and Mrs. Joseph Marion of Montreal, Canada, arrived in the copper country Sunday morning to visit with Mr. and Mrs. Stephen Beauchamp of Laurium.

The show here Sunday evening was attended by a good sized crowd. The play "The Girl From the U. S. A." was a pleasing one.

Miss Minnie Parsons returned Sunday evening to Redridge to resume her duties as teacher in the schools of the Lake Shore town.

Miss Helen Frenette, spent the past four days visiting with relatives and friends in Hubbell. She left Sunday for Silver, this state, where she will take up her work as teacher of the schools.
